Hello, and many thanks for choosing a photo e-album from byrd1uk. Please take a few seconds to read the following information about downloading your photo e-album. I strongly recommend that you try downloading a sample photo e-album before purchase as the e-album will be delivered to you via a secure file hosting website as per this example.

STEP 1: When your photo e-album is complete, I will send you a link to the file hosting webpage where your photo e-album is kept securely along with the required password. Click on the link to go to the webpage.

If you wish to follow this example, the webpage address is <http://www.freefilehosting.me.uk/download.php?id=0AEE17EF1>
 You will also need the password, which is "byrd1uk"

If you are downloading your own photo e-album, you will need the details supplied to you via email.

type these numbers into this box

click "Submit" to continue

type your password here

click "Redraw" if you cannot read the numbers

click "Download"

STEP 2: The first thing you will see is a screen like the one above. Type the numbers shown into the box to their right, and enter the password in the box below (byrd1uk) in this example. Press "Submit" once.

STEP 3: The screen above will appear next. Simply click on the word "Download" once.

click "Save" to continue

click "Run" to continue

STEP 4: A "Save as" dialog box will appear. You may save your photo e-album where you like, and change the save name if you wish. Press "Save" to continue.

STEP 5: Once the photo e-album has finished downloading, you may open it by double-clicking on the icon. You may see a dialog box similar to the one above. Click "Run" to continue to open the photo e-album.

Please note that whilst every care is taken to ensure your photo e-album is free from viruses and malicious code, we cannot accept any responsibility for any damage caused by the use of our websites, products or services.
